

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA
ELKINS**

STANLEY DEMERE,

Petitioner,

v.

**CIVIL ACTION NO. 2:09-CV-83
(BAILEY)**

WARDEN DAVID BALLARD,

Respondent.

ORDER ADOPTING REPORT AND RECOMMENDATION

On this day, the above-styled matter came before this Court for consideration of the Report and Recommendation of United States Magistrate Judge James E. Seibert [Doc. 42]. Pursuant to this Court's Local Rules, this action was referred to Magistrate Judge Seibert for submission of a proposed report and a recommendation ("R & R"). Magistrate Judge Seibert filed his R&R on April 16, 2012 [Doc. 42]. In that filing, the magistrate judge recommended that this Court deny as moot the petitioner's Motion to Waive Exhaustion Under 28 U.S.C. § 2254(b)(B)(1) and 28 U.S.C. § 2254(b)(B)(ii) [Doc. 36].

Pursuant to 28 U.S.C. § 636 (b)(1)(c), this Court is required to make a *de novo* review of those portions of the magistrate judge's findings to which objection is made. However, the Court is not required to review, under a *de novo* or any other standard, the factual or legal conclusions of the magistrate judge as to those portions of the findings or recommendation to which no objections are addressed. *Thomas v. Arn*, 474 U.S. 140, 150 (1985). In addition, failure to file timely objections constitutes a waiver of *de novo*

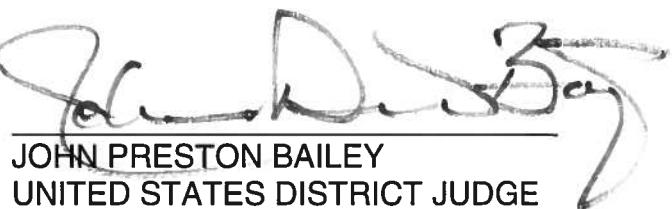

review and the right to appeal this Court's Order. 28 U.S.C. § 636(b)(1); ***Snyder v. Ridenour***, 889 F.2d 1363, 1366 (4th Cir. 1989); ***United States v. Schronce***, 727 F.2d 91, 94 (4th Cir. 1984). Here, objections to Magistrate Judge Seibert's R & R were due within fourteen (14) days of receipt, pursuant to 28 U.S.C. § 636(b)(1) and Fed.R.Civ.P. 72(b). The docket reflects that service was accepted on April 17, 2012 [Doc. 43]. No objections have been filed. Accordingly, this Court will review the R&R for clear error.

Upon careful review of the above, it is the opinion of this Court that the **Report and Recommendation [Doc. 42]** should be, and is, hereby **ORDERED ADOPTED** for the reasons more fully stated in the magistrate judge's report. Accordingly, this Court **DENIES AS MOOT** the petitioner's Motion to Waive Exhaustion under 28 U.S.C. § 2254(b)(B)(1) and 28 U.S.C. § 2254(b)(B)(ii) **[Doc. 36]**.

It is so **ORDERED**.

The Clerk is directed to transmit copies of this Order to any counsel of record and to mail a copy to the *pro se* petitioner.

DATED: May 9, 2012.

JOHN PRESTON BAILEY
UNITED STATES DISTRICT JUDGE
